

HOW TO USE OUR Gated Parking System

Entering the Parking Garage

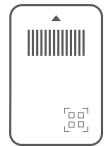

1

Put your car in park when you arrive at the entry gate. Press the flashing white button.

2

Obtain your entry ticket and proceed to park once the gate arm has lifted. Keep your parking ticket on hand, as you will need it to pay for parking when you exit the facility.

Exiting the Parking Garage – Paying at the Exit Gate

1

Put your car in park when you arrive at the exit gate. Insert your entry ticket into the ticket slot.

2

To pay with a credit card, tap your credit card on the reader located on the top right of the exit column.

Alternatively, you can insert your credit card into the credit card slot on the bottom right of the exit column.

3

Obtain your receipt and exit the parking facility once the gate arm has lifted.

Exiting the Parking Garage – Paying at the Pay Station

1

Insert your ticket into the ticket slot located on the middle left of the pay station. The display will show your duration along with how much you owe for parking.

2

To pay with a credit card, tap your credit card on the reader located on the middle right of the pay station.

Alternatively, you can insert your credit card into the credit card slot on the bottom right of the pay station.

To pay with a mobile device, place your mobile device over the reader located at the middle right of the pay station and wait for all four lights to turn green.

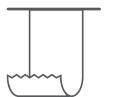

3

Your parking ticket will print and be dispensed from the same slot you inserted your ticket.

4

Take your ticket as you will need this to exit the parking facility. A receipt will print out from the same slot following printing your parking ticket once payment is confirmed.

5

Pull up to the exit gate and put your car in park. Insert your parking ticket into the black ticket slot located on the middle left of the exit column.

The barrier gate arm will lift, and you may safely leave the parking facility.
