HOW TO USE OUR PARKING METERS Pay-by-License Plate

Paying with Coin or Credit Card

Parking Meter

- 1 To activate the parking meter, simply press the red, yellow, or green button.
- 2 Press the corresponding yellow button to select "Rates" or "Parking Code".
- 3 Select your preferred payment method by pressing the corresponding yellow button.
- 4 Enter your vehicle license plate number using the keyboard on the front of the meter.
Press the green button to confirm your license plate entry.
- 5 The parking rates and session time will be displayed on the screen. To add more time or to select max time, press the corresponding yellow button. Press the green button to confirm your time.
- 6 Choose your payment method:
Coin Payment
Insert your coins into the coin slot until you have paid for the full amount of the selected time.
Credit Card Payment
Insert your card into the credit card slot. Alternatively, you can tap your credit card, Apple Pay, Google Pay or Samsung Pay on the contactless reader.
- 7 Your ticket will print and be dispensed from the paper dispenser. Take your receipt.
- 8 There is no need to display your receipt on your vehicle dashboard. A cloud-based parking enforcement system recognizes your vehicle's license plate.
